

<b>Botanical Name</b>	<i>Insert genus and species</i>
<b>Common Name</b>	<i>Insert common name(s)</i>
<b>Distribution</b>	<i>Insert notes on tree distribution</i>
<b>Dimensions</b>	<i>Insert notes on tree dimensions (height x width)</i>
<b>Form / Habit</b>	<i>Insert notes on tree form / growth habit / canopy shape</i>
<b>Key identification features</b>	<i>Insert notes on recognition and identification features</i>
<b>Leaf morphology</b>	<i>Insert notes on leaf characteristics: shape, colour, size etc.</i>
<b>Branch, trunk and bark features</b>	<i>Insert notes on buds, petiole, branchlets, branches, trunk and bark features</i>
<b>Flower characteristics</b>	<i>Insert notes on flower characteristics</i>
<b>Fruit characteristics</b>	<i>Insert notes on fruit type and characteristics</i>
<b>Sensory features of the tree</b>	<i>Insert notes on any sensory features of the tree</i>
<b>Identification method</b>	<i>Insert notes on methods of identification used: taxonomic key, field guide, key features, comparison of tree samples, recognition, specific features etc.</i>

**Industry Partners:**

<p><b>Local environment</b></p>	<p><i>Insert notes on th local environment of the tree</i></p>
<p><b>Growing environment /cultural requirements</b></p>	<p><i>Insert notes on the growing environment /cultural requirements and preferences/ growth requirements of the tree: sun, shade, drought &amp; frost</i></p>
<p><b>Habitat / Food source</b></p>	<p><i>Insert notes on the habitat use and food source supply of the tree</i></p>
<p><b>Pests / diseases</b></p>	<p><i>Insert notes on known pests / diseases</i></p>
<p><b>Uses of tree</b></p>	<p><i>Insert notes on the uses of tree</i></p>
<p><b>Social benefits of tree</b></p>	<p><i>Insert notes on social benefits of the tree</i></p>
<p><b>Environmental benefits</b></p>	<p><i>Insert notes on environmental benefits of the tree</i></p>
<p><b>References</b></p>	<p><i>Insert research references and links</i></p>
